Notes and Instructions

- All components must meet CPSIA & ASTM F963 requirements for lead, phthalates (10P), heavy metals, physical & mechanical, and flammability. Hitpromo.net and CPSIA tracking number must also be permanently marked on each item.
- Updated passing test report must be received prior to approval of mass production and shipment. Test request form will be provided under separate cover.
- Items must meet FDA 21 CFR 801.410 requirement for lens impact resistance; passing test certificate required with each shipment.
- The item must have the UV sticker on the inside of the lens.
- A GRS transaction certificate is required for this batch/order. A copy of the transaction certificate must be sent to compliance@hitpromo.net upon shipment of Purchase Order. Failure to provide may result in rejection upon arrival to Hit.
- Country of origin must be permanently marked on each piece. All PVC components must be 7P (1000 PPM Maximum) and low lead (100 PPM Maximum) compliant at a minimum. CPSIA testing may dictate additional requirements.
- Please arrange for preproduction samples for approval prior to producing and shipping this order.

Quality Concerns

- THIS PURCHASE ORDER CONTAINS ITEMS DEEMED FOR IMMEDIATE CONSUMPTION UPON ENTRY. WHEN THESE ITEMS ARE READY TO BE SHIPPED, A SEPARATE COMMERCIAL INVOICE AND PACKING LIST MUST BE CREATED AND PRESENTED TO THE FREIGHT FORWARDER. A SEPARATE HOUSE BILL OF LADING WILL BE CREATED BY THE APPOINTED FREIGHT FORWARDER. NON FTZ ITEM
- HIT LOGO should be removed from all master cartons
- "ALL Sunglasses must have the right temple on top. The left temple must be underneath"
- Is the HIT website and tracking information present?

Packing Specifications

Part #	Length	Width	Height	Gross Weight	Net Weight	Units	Individual	Inner Packaging	Class
4000 (multiple parts)	75.00 cm	18.00 cm	34.00 cm	7.00 kg	6.00 kg	300	Bulk w/ Divider	6/Poly Bag	100

Please send order confirmation confirming all requirements upon receipt of this PO. Line items are not to be split into shipments smaller than 25% of the original line item quantity. Any changes in producing factory, raw materials, or production process must be communicated immediately for review of potential regulatory compliance implications. Vendor is responsible for all in-process and final quality inspections prior to shipment; any nonconformance to Hit Promotional Products' quality standards that is identified upon receipt in the US shall be subject to full refund and/or no-charge replacement product. All items on this PO are subject to the terms and conditions of the Hit Promotional Products Manufacturer's Best Practices Agreement with regard to social responsibility, regulatory compliance, supply chain security, and environment safety.
